FLORIDA BECKONS YOU FOR THE 47TH FALL CONFERENCE

The 47th Annual Fall Conference at the Sandestin Hilton is shaping up nicely. The Midsouth Chapter is enthusiastic about joining us on October 24.

Bob McCormick, program chairman, has arranged for an informative program. We will have a presentation by Dale Carnegie, which should benefit all of us in our business as well as personal lives. To "ice the cake," Bob has arranged to have a representative of Florida Power and Light Company talk to us about the "Japanese form of management to improve productivity." FP&L sent a team to Japan to study Japan's methods, and they are willing to share some information with us.

Our International President, Charlie Evans, and his wife, Joyce, will be with us. We will, as always, have our International Vice President, our own Steve Darby, and his lovely wife, Judy, with us.

Bob Cox has arranged a special treat in the way of entertainment at the finale banquet, as well as some good grub. Chuck Griffith has been a real help in obtaining supplier participation. As usual, Olin Jobe has done a superb job with advertising and the program booklet. Martha Turner has a fine program in store for the ladies. For those who are so inclined, Marshall Ware has arranged for a fishing trip on Thursday, October 24. The Destin/Ft. Walton area is noted for fine deep sea fishing. As usual, we will have golf for men and ladies on Thursday and tennis for both sexes on

Executive Items

EASA elects Darby president

E. Steve Darby, president of Darby Electric Co. in Anderson, has been installed as president of the Electrical Apparatus Service Association.

Darby, a native of Anderson, graduated from The Citadel.

He joined Darby Electric in 1962 and became president in 1974. The company, which rebuilds electrical motors, was founded in 1948 by Darby's father and two partners.

EASA, founded in 1933 and based in St. Louis, Mo., provides technical data on electric motor rebuilding to 2,700 members in 42 countries.

Darby was elected an international director in 1979 and has served as international secretary, treasurer and vice president. He is the first South Carolinian to be elected president.
